

# In Love Forever

## Keziah Jones

When someone  
Says  
That they love you  
Today  
But the only place  
That they've never shown it  
is at homeWhen someone  
stays  
so far away  
that the only face  
that they've ever shown to you  
is unknownCHORUS  
They're In Love forever  
You can try  
To make  
So many things  
Go straight  
What if they never turn out  
the way you wanted them to be?  
Oh the wheres  
the whys  
the profound disguise  
Those painted face  
are permanent places in meCHORUSBRIDGE  
What we need  
Is to understand  
Our wants and needs  
Before we plan  
Oh the things we do to make  
ourselves blind  
We like to put the blame on  
someonelse's mind  
Oh the way we live our lives in  
our own minds  
Our thears are all the same in  
someonelse's eyes.
