

# The Vow (feat. Jackie Opel and Doreen Schaffer)

## The Skatalites

oh my darling  
do you promise to be mine alone  
yes my dear  
ill be your very own  
will you stay till the end of my life  
to you ill be more than wifedo you promise never ever to hurt me  
yes my dear just you wait and seewill you always be sincire  
together for love we will shareand well never ever make eachother unhappydo you promise never never to hurt  
me  
yes my dear just you wait and seewill you always be sincire  
together for love we will share  
and well never ever make eachother unhappy  
and well never ever make eachother unhappy
