

# L.o.v.e. Machine

## W.a.s.p.

Lady have you known me  
The perfect love machine  
I'm Virgo, my Leo's rising  
Venus made me King  
That trail of broken hearts  
They all belong to me  
Magic runs through my fingers  
One touch you'll see  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
Tonight, tonight  
What can I do for you  
Am I your wildest dream?  
What do I move in you  
Am I what I seem?  
My eyes they lie and you cry  
Love brings you pain  
And if you try to love me  
You'll not feel the same  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
Tonight, tonight  
L.O.V.E  
All I need's my love machine  
L.O.V.E  
All I need's my love machine  
L.O.V.E

All I need's my love machine

L.O.V.E

All I need's my love machine

Tonight, tonight

All I need's

All I need's

All I need's my love machine
