

Like I Never Broke Her Heart (Acoustic Version)

[Randy Owen](#)

Look at her with you
Her eyes are shining she looks brand new
Last time I saw her she was falling apart
She was crying at the fleetwood fair
Now shes laughing and tossing her hair
Cause she loves you like I never broke her heart[Chorus]
Like I never said goodbye
Never made her cry
Never told a lie, crossed the line or pushed too hard
I never slammed the door
Or made her walk the floor
I wonder where I went when I went too far
She loves you like I never broke her heartAt the time I didn't know
Just what I had til she let go
Of me and fell right into your arms
So ill turn away if she looks at me
Ive done enough shes finally free
Yes she loves you like I never broke her heart[Chorus]I've never seen her look better than she looks tonight
I don't know what you do but you're doing something right[Chorus]Saw her somewhere the other day
But she just smiled and looked away
Like I never broke her heart.
