

Breathe In Breathe Out

[Mat Kearney](#)

Breathe in, breathe out
Tell me all of your doubt
And everybody bleeds this way
Just the same Breathe in, breathe out
Move on and break down
If everyone goes away
I would stay We push and pull
And I fall down sometimes
And I'm not letting go
You hold the other line 'Cause there is a light
In your eyes, in your eyes Hold on and hold tight
From out of your sight
And everything keeps movin' on, movin' on Hold on, hold tight
Make it through another night
And everyday, there comes a song with the dawn We push and pull
And I fall down sometimes
I'm not letting go
You hold the other line 'Cause there is a light
In your eyes, in your eyes
There is a light
In your eyes, in your eyes Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out Look left, look right
To the moon in the night
And everything under the stars
Is in your arms 'Cause there is a light
In your eyes, in your eyes
And there is a lie
In your eyes, in your eyes There is a light
In your eyes, in your eyes
There is a light
In your eyes, in your eyes
