

Bones (Live At The Royal Albert Hall)

The Killers

(Come with me)

We took a back road; we're gonna look at the stars

We took a back road in my car

Down to the ocean, it's only water and sand

And in the ocean we'll hold hands

But I don't really like you, apologetically dressed

In the best, put on the heartbeat glide

Without an answer the thunder speaks for the sky

And on the cold, wet dirt I cry

And on the cold, wet dirt I cry Don't you wanna come with me?

Don't you wanna feel my bones on your bones?

It's only natural A cinematic vision ensued

Like the holiest dream

There's someone calling, an angel whispers my name

But the message relayed is the same

Wait till tomorrow; you'll be fine.'

And it's gone to the dogs in my mind

I always hear them

When the dead of night comes calling

Save me from this fight

But they can never wrong this right Don't you wanna come with me?

Don't you wanna feel my bones on your bones?

It's only natural

Don't you wanna swim with me?

Don't you wanna feel my skin on your skin?

It's only natural

I never had a lover (I never had a lover)

I never had soul (I never had soul)

I never had a good time (And I never had a good time)

I never got gold (I never got gold) Don't you wanna come with me?

Don't you wanna feel my bones on your bones?

It's only natural

Don't you wanna swim with me?

Don't you wanna feel my skin on your skin?

It's only natural Don't you wanna come with me?

Don't you wanna feel my bones on your bones?

It's only natural

Come and take a swim with me?

Don't you wanna feel my skin on your skin?

It's only natural
