Cassius

It takes two
Point of view
Got no clue
Maybe lets pretend
Where you going
What you showing
Cash you blowing
Face you showing
Ticking, tocking
Weekend rocking
Fish (?) stocking
Electric shocking Don't you, don't you do
Don't you, don't you do
When you see, a man doing his thing
Then see, he's on his own
When you see a woman doing her thing, baby
Then you see she's on her own, on her own
She's on her own, on her own
Don't you, don't you do
Don't you, don't you do
Don't you, don't you do
Don't you, don't you do In my side, in my, baby now your (?)
Got my posse (?)
Going back in the woods, you're making mad in the woods
Got the city in the woods, getting lost in the woods
(?) Don't you, don't you do
Don't you, don't you do
Don't you, don't you do
Don't you, don't you do When you see a man doing his thing
Then see, he's got his own
When you see another woman doing her thing
Always see she's on her own, on her own
Don't think, I'm a 70s baby
(?) it could all be wrong
Don't you feel from the 1970's baby
All of them could be wrong
When you see a man on the street
Catcalling up to every she alone
When you see a man in the business baby

He never get called a bitch on his own
He never get called a bitch on his own
Don't you, don't you do
Don't you, don't you do
Don't you, don't you do
(?)

Don't you wanna see a woman baby (?)
Don't you want her on her own
Don't you hear the sound of an animal calling
Don't you, don't you do
Don't you, don't you do
Don't you, don't you do(Start all over again)
Don't you, don't you do
Don't you, don't you do
