

Falling Down

Nick Carter

It's so cold in this room
And I'm trapped inside your heart
All by myself, yeah
All alone in your sea
And I'm sinking like a ship
I'm going down, going down
I don't wanna live my life without you
The hardest thing I ever do
Is trying to pick myself up off the ground
Trying to outrun all the memories
But I keep falling down
I keep falling down
And it's like you still got a hold on me
'Cause I keep falling down
I keep falling down
I can't sleep, I can't dream
'Cause your scent's still here
On the pillows in my bed, in my bed
And this pain's so insane
I'm still haunted by the stupid things I've said
All the things I said
I don't wanna live my life without you
The hardest thing I ever do
Is trying to pick myself up off the ground

Trying to outrun all the memories
But I keep falling down
I keep falling down
And it's like you still got a hold on me
'Cause I keep falling down
I keep falling down
And how do I let go
I know I should move on
But without you I don't know where I belong
And everywhere I go
Every happy face I see
It reminds me of the way it used to be
Trying to outrun all the memories
But I keep falling down

I keep falling down
And it's like you still got a hold on me
'Cause I keep falling down
I keep falling down
I keep falling down
I keep falling down
I keep falling down
I keep falling down
I keep falling down
