In Repose

The Send

Just as a bleeding wound dries
I found a road and left home
And as the mountain is high
I took Your tears and went onTears sing for sleep
But lonely nights weepYou know my heart is falling asleep
And You'd paint the sky to see me believe You
And I know my heart has fallen asleep
And You'll still remain and I'll change to see You
And I'll change to see YouRemembering every disguise
I found a way to lead on
Just as my heart has run dry
With blood and bone, I miss homeTears sing for sleep
But lonely nights weepYou know my heart is falling asleep
And You'd paint the sky to see me believe You
And I know my heart has fallen asleep
And You'll still remain and I'll change to see You
Falling asleep again, falling asleep again
Falling asleep againJust as a bleeding wound dries
I took your tears and went onYou know my heart is falling asleep
And You'd paint the sky to see me believe You
And I know my heart has fallen asleep
And You'll still remain and I'll change to see You
Falling asleep again, falling asleep again
Falling asleep again, falling asleep
