

# Monsoon

Joelle

I'm staring at a broken door  
There's nothing left here anymore  
My room is cold, it's making me insaneI've been waitin' here so long  
Another moment seems to have come  
I see the dark clouds comin' up againRunning through the monsoon  
Beyond the world 'til the end of time  
Where the rain won't hurt  
Fighting the storm into the blueAnd when I lose myself I think of you  
Together we'll be running somewhere new  
Through the monsoon just me and youA half moon fading from my sight  
I see your vision in it's light  
But now it's gone and left me so aloneI'll know I have to find you now  
Can hear you name and don't know how  
Why can't we make this darkness feel like home?Running through the monsoon  
Beyond the world 'til the end of time  
Where the rain won't hurt  
Fighting the storm into the blueAnd when I lose myself I think of you  
Together we'll be running somewhere new  
And nothing can hold me back from you  
Through the monsoon, hey, heyI'm fighting all this power coming in my way  
Let it take me straight to you  
I've been running night and dayI'll be with you soon just me and you  
We'll be there soon, so soonRunning through the monsoon  
Beyond the world 'til the end of time  
Where the rain won't hurt  
Fighting the storm into the blueAnd when I lose myself I think of you  
Together we'll be running somewhere new  
And nothing can hold me back from you  
Through the monsoonThrough the monsoon  
Just me and you  
Through the monsoon  
Just me and you
