

Lift Off

Jay-Z

(All engines running)We gon take it to the moon, take it to the stars
How many people you know can take it this far?
Im supercharged
Im bout to take this whole thing to MarsNow we gon take it to the moon, take it to the stars
You dont know what we been through to make it this far
So many scars
Bout to take this whole thing to Mars(Lift off)
Lift off, takin my coat off
Showin my tattoos, Im such a showoff (Huh?)
I feel the pain and then rolled off
I got the whole city, they about to go off
How many niggas wit me up in this bitch?
How many people wanna roll with me now?
Like you know na na na, you know me by now
Know me, know me by nowWe gon take it to the moon, take it to the stars
How many people you know can take it this far?
Im supercharged
Im bout to take this whole thing to MarsNow we gon take it to the moon, take it to the stars
You dont know what we been through to make it this far
So many scars
Bout to take this whole thing to Mars
(Lift off, ahh, ahh)Like you know na na na, you know me by now
Know me, know me by now
