Chase Money

Trouble Andrew

you chase money for love (x2)
everybody's starin'
cuz your in the place now
cuz your a lush with a crush
with the crush posse and in
your eyes walking then strip
you know im watchin i wont pay you
for them lips if thats what gets
you talkin cuz you...
you chase money for love(x2)
does your money love you
does your money f*** you
is it nice to talk to
does your money hug you
does your money want you
does your money haunt you
would your money haunt you
I could loose these chix trixs and fer
cuz she got alot going pink lips and a short skirt
color contects in her eyes yeah a surprise
want to get rich get your kicks from another guy
cuz you chase money for looooove(x4)
you chase your money
get your money right
keep chasing money you'll live a lovely life
keep chasing money and get your money right
keep chasing money and hold it tight
you chase money for love(x9)
