

Alibi

Lakeside

[intro:]

"I don't know what I was thinking about,"

"Oh no, what's wrong with me?"

"I should have been home, oh wow! oh wow"

It's 5:00, I'm just getting home, Roaming on my own

What can I tell her, That she might understand

Why does a man so in love, spread himself so thin

When he could never, never win, In the end

(Ooh) Just the thought of me losing her

Makes me want to cover my tracks baby

If I were to lose her love, I'd drown in a river of tears

I need an Alibi, or I'll be caught in the wrong

Don't want to have to tell a lie (Don't want to have to tell a lie)

But the thought of me losing her

I don't think I can handle that

(Ooh) It's not as bad as it may seem, I keep finding trouble

Busting the bubble, of the good life we've been sharing

It's best to be safe than sorry they say, better to lie than to lose

Then I'll have it my way, more love

(Ooh ~cos) the thought of me losing her

Makes me want to cover my tracks baby

If I were to lose her love I'd drown in a river of tears

I need an Alibi, or I'll be caught in the wrong

Don't want to have to tell a lie (Don't want to have to tell a lie)

But the thought of me losing her

I don't think I can handle that

I need an Alibi, or I'll be without the one I love

Don't want to have to tell a lie (Don't want to have to tell a lie)

But the thought of me losing her

I don't think I can handle that

Do you know what I mean, Do you know what I mean

Heeeeeey Oooooo Talk to me Otis

(Hey) the thought of me losing her
Makes me want to cover my tracks baby
If I were to lose her love Iâ€™d drown in a river of tears

Hey girl, I made a mistake and Iâ€™m sorry baby
Oh I really love you girl, I made a mistake and Iâ€™m sorry

I need an Alibi, or Iâ€™ll be caught in the wrong
Donâ€™t want to have to tell a lie (Donâ€™t want to have to tell a lie)
But the thought of you leaving
Oh, Donâ€™t think I can go on any longer

I need an Alibi, or Iâ€™ll be without the one I love
Donâ€™t want to have to tell a lie (Donâ€™t want to have to tell a lie)
But the thought of you leaving me
I donâ€™t think I can handle that

I need an Alibi ooh babyâ€
