## **Orange Colored Sky**

## **Lady Gaga**

I was walking along, minding my business, When out of the orange colored sky, Flash, bam, alakazam, Wonderful you came by.

\_

I was humming a tune, drinking in sunshine, When out of that orange colored view Wham, bam, alacazam, I got a look at you.

.

One look and I yelled timber
Watch out for flying glass.
Cause the ceiling fell in and the bottom fell out
I went into a spin and I started to shout
I've been hit, This is it, this is it

.

I was walking along minding my business
When love came and hit me in the eye
Wham, bam, alacazam,
Out of the orange colored sky

Well, one look and I yelled timber
Watch out for flying glass.

Cause the ceiling fell in and the bottom fell out
I went into a spin and I started to shout
I've been hit, This is it, this is it

.

I was walking along minding my business
When love came and hit me in the eye
Wham, bam, alacazam,
Out of the orange colored, purple stripes,
Pretty green polka-dot sky
Flash, bam, alacazam,
Went the sky
