

Why Do You Do It to Me?

Kaiser Chiefs

None of the buildings even look the same,
And underneath them all the shops have changed.
I don't pretend they're in a lot more pain,
Stocking much too young for the professionals to stay in. I can do it, I can do it, I can do it, I can do it without
you.
I can do it, I can do it, I can do it, I can do it without you. I'm in tunnel to the north again
Everybody has to talk on the train.
And if you've got nothing that's clever to say,
Nobody's listening to you anyway. 'Cause I can do it, I can do it, I can do it, I can do it without you.
I can do it, I can do it, I can do it, I can do it without you.
But it wouldn't be very good. La la la, la la la la la la la la, etc. What you want here?
It doesn't matter!
I don't think that it can be done without you.
What you doing?
It doesn't matter!
But everything that's done is all about you. We convince each other nothing has changed
Nobody else will ever write the same
We're out of ?? thought the stage is not blame
For your protection all the names have been changed. I can do it, I can do it, I can do it, I can do it without you.
I can do it, I can do it, I can do it, I can do it without you.
I can do it, I can do it, I can do it, I can do it without you.
I can do it, I can do it, I can do it, I can do it without you.
But it wouldn't be very good.
