

Whom Shall I Fear (God Of Angel Armies)

[Chris Tomlin](#)

You hear me when I call
You are my morning song
Though darkness fills the night
It cannot hide the light Whom shall I fear You crush the enemy
Underneath my feet
You are my sword and shield
Though troubles linger still Whom shall I fear I know who goes before me
I know who stands behind The God of angel armies
Is always by my side The one who reigns forever
He is a friend of mine The God of angel armies
Is always by my side My strength is in your name
For you alone can save
You will deliver me
Yours is the victory Whom shall I fear
Whom shall I fear I know who goes before me
I know who stands behind The God of angel armies
Is always by my side The one who reigns forever
He is a friend of mine The God of angel armies
Is always by my side And nothing formed against me shall stand
You hold the whole world in your hands
I'm holding on to your promises You are faithful
You are faithful Nothing formed against me shall stand
You hold the whole world in your hands
I'm holding on to your promises You are faithful
You are faithful
You are faithful I know who goes before me
I know who stands behind The God of angel armies
Is always by my side The one who reigns forever
He is a friend of mine The God of angel armies
Is always by my side I know who goes before me
I know who stands behind The God of angel armies
is always by my side The one who reigns forever
He is a friend of mine The God of angel armies
is always by my side The God of angel armies
is always by my side
