

Burning The Witches

Warlock

When the day is over
The devil is near
The people who know it
Are full of fearWhen the devil is coming
A virgin will die
A soldier of the darkness
Will take her lifeThe demon takes the body
Of the bloodless gal
Outside she's looking pretty
Inside a beast of hellThat's what you are callin'
A hellcat or a witch
And only if she's burning
The demon will dieBurning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The demon dies by fireThe witches are hunting
Your soul and your blood
And if you can't escape
They take all that you've gotA soul of the virgin
Can find no peace
Till the fire is killing
The witch - they can be freeBurning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The evil cries by fire!By burning the witches
The demon dies
By burning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The evil cries
By burning...
