Rari

The Standells

Rari
they warned me not to fall for an island girl
cause when they dance they dance for all to see
driving men crazy like you're driving me
Rari you're taunting me with sleepless nights
dreaming of a way to hold you tight yeah
Rari come on and dance with me
dance with me, dance with me
dance for your baby yeahI can remember the night
when I first saw you
your heavenly body
dancing in the spot light yeah
the drum began to play
and every eye dare not stray
cause want man would want
to miss the chance
of watching a beautiful girl
like you
dance, dance, dance, dance, dance, dance
Oh Rari, they warned me not to fall for an island girl
cause when they dance they dance for all to see
you're driving me, you're driving, driving, you're driving me crazy
now Rari
aw stop it baby
aw don't tease me
Aw Rari
Aw don't do it baby
Aw you got to stop it yeah
Rari, Rari, Rari, Rari
I want you baby
aw stop it baby
I love you baby
I do
Rari
