Unafraid

Worth Dying For

Lord let me see Your face again
To feel Your embrace that pulls me in
I want to let go of all my fears
Leaving my sin and past behind me
To move closer to Your holy calling
Devoted to You this vow I keepIll speak of all Youve done for me
Proclaim Your name above all names (2x)Im unafraid to lift my hands and sing
Im unafraid to shout aloud Your name
Take me Lord I want You more than anything I pray
I wont hold back I wont turn back and boldly I will say
I am unafraidLord I believe You bled and died
An atonement of sin for all mankind
Unafraid to be my sacrificeIll speak of all Youve done for me
Proclaim Your name above all names (2x)Im unafraid to lift my hands and sing
Im unafraid to shout aloud Your name
Take me Lord I want You more than anything I pray
I wont hold back I wont turn back and boldly I will say
I am unafraidIm unafraid to boldly say You are my God You are the way
Im unafraid to live a life that speaks Your praise (4x)Im unafraid to lift my hands and sing
Im unafraid to shout aloud Your name
Take me Lord I want You more than anything I pray
I wont hold back I wont turn back and boldly I will say
I am unafraidIm unafraid to boldly say You are my God You are the way
Im unafraid to live a life that speaks Your praise (2x)
