

The Finer Things

Mac Miller

You kno the finer things in life, ya know, sometimes u gotta kick back N enjoy that shit, look, just relax, (roll that sticky up) summer time bitchi like sitting in shotgun deuce on an L, parents not caring cuz they used to the smell.

classy ass women, fresh ass linen, hot summer dayz w/a pool i can swim in, a good spot to kick it, a case of 40s, them homies always havin good stories, the beer bottles with the twist off caps, when old people tell that u they listen to rap,

i love days i can sleep in, 4 day weekends, hoes puttin they clothes back on u peekin, blunt rides w/the mixtape bumpin. i love makin love in public, n when the hip hop legend tour comin to ur town, findin a crispy ass 20 on the ground, walkin when the sun out, watchin runs house, reaction movies when the villain pull his gun outtt.the best in life is the free ones, ahh, the little things everybody need some, the finer thingggs make u feel betttter but no one ever seem to remember, the best things in life is the free ones, the little things everybody needs some, the finer thingggs make u feel betttter but no one ever seem to rememberim like sleepin in class, im cheatin to pass, hoes walkin in the halls n u reach for their ass, fast food lines when they movin so quickly, when ur weedman hit u with some sticky, street performers warmin up the corners, sellin by the ounce & pitchin by the quarter, where some kicks on sale, wakin up in the morning w/a shitload of mail, the wake up the bake up, chillin while u face blunts, going in blowed (be it shape up?) like say what? what? blog put ur tape up, get a good review, when dumbass people tell you what u shouldnt do, when she rub my head when im b/w her kneees, ha, getting love from the people overseas, haters tryina hate but they got nothing to say, its just the little things that get me threw the daythe best in life is the free ones, ahh, the little things everybody need some, the finer thingggs make u feel betttter but no one ever seem to remember, the best things in life is the free ones, the little things everybody needs some, the finer things make u feel betttter but no one ever seem to remember
