

Louisiana Rain

Bonnie Tyler

Well it was out in California
By the San Diego Sea
That was when I was taken in
And it left its mark on me Yeah it nearly drove me crazy
'Cause I felt I had no choice
Yeah it seemed that I was only marking time
With all those sailor boys Louisiana rain is falling at my feet
And I'm noticing a change
As I move down the street
Louisiana rain is soaking through my shoes I may never be the same
When I reach Baton Rouge
South Carolina put out its arms for me
Right up until everything went black Somewhere on a lonely street
And I still can't quite remember
Who helped me to my feet
But thank God for this long neck bottle The angel's remedy
Louisiana rain is falling just like tears
Running down my face
Washing out the years Louisiana rain is soaking through my shoes
I may never be the same
When I reach Baton Rouge
Well I never will get over This English refugee
Singing to the Juke Box in some
All-night Beanery
Yeah he was eating hard rock candy And chasing it with tea
You should have seen him lick his lips
When he looked up at me
Louisiana rain is falling at my feet And I'm noticing a change
As I move down the street
Louisiana rain is soaking through my shoes
I may never be the same When I reach Baton Rouge
