

Afraid of Love

Brutha

[Verse1]

I've been asking myself this question over and over again
oh-oooh

Is love a game that no matter how I try I'll never win?
oh-oooh

It's like tryna write a love story, but runnin' out of ink in the pen
Suspense

Like a fairy tale beginning, but you never find out how it ends
oh-oooh

[Chorus:]

So I often wonder if I'll ever (oooh, if I'll ever find true love)
Like the sun has summer, rain had thunder (what am I afraid of?)

If I'm afraid to love or if I'm afraid of love (I wanna kno)
Cause if I'm afraid to love
Then how will I ever find the one? (How will I ever find the one?)
The one...the one...the one...
How will I ever find the one?

[Verse2]

Tell me why is it the closer I get, time runs away
(hey)

It's like standing in the mirror, when my reflection looks the other way
(hey)

Outside I'm smiling, but the truth is that I'm crying inside
(I'm tryin')

It's like tryna write the perfect ong, but i can't come up with the last line
(So I)

[Chorus]

Tell me,
How will I ever find the one? [x3]
