You Got Me

Hollywood Ending

You're stuck on me and my laughing eyes
I can't pretend though I try to hide
I like you, I like you
I think I felt my heart skip a beat
I'm standing here and I can hardly breathe
You got me yeah, you got me
The way you take my hand is just so sweet
And that crooked smile of yours
It knocks me off my feet
Oh, I just can't get enough
How much do I need to fill me up?
It feels so good, it must be love
It's everything that I've been dreaming of
I give up, I give in, I let go, let's begin
'Cause no matter what I do
Oh, my heart is filled with you
I can't imagine what it'd be like
Living each day in this life
Without you, without you
One look from you, I know you understand
This mess we're in, you know is just so out of hand
Oh, I just can't get enough
How much do I need to fill me up?

It feels so good, it must be love
It's everything that I've been dreaming of
I give up, I give in, I let go, let's begin
'Cause no matter what I do
Oh, my heart is filled with you
I hope we always feel this way
I know we will
And in my heart I know that you'll always stay
Oh, I just can't get enough
How much do I need to fill me up?
It feels so good, it must be love
I give up, I give in, I let go, let's begin
'Cause no matter what I do
Oh, I just can't get enough
How much do I need to fill me up?

It feels so good, it must be love
It's everything that I've been dreaming of
I give up, I give in, I let go, let's begin
'Cause no matter what I do
Oh, my heart is filled with you
Oh, you got me, you got me
Oh, oh, you got me, you got me
