

Not Anymore (Blacksmif 'Point Break' Mix)

LeToya

This is dedicated to
This, this, this, this, this is dedicated to
Well, if you feel what I'm feeling this is dedicated to you Well, I've been the super-girlfriend, let you think that
nothing bother me
When you got out with your friends and people bring me back the stories
The stories about them other girls, about this one and that one and those three
So when I ask you a simple question, where were you last night, you wanna yell and scream
And try to flip it on me No, no, no, no
Is anybody else just fed up?
If you heard it all before then right where you are just get up, ey Somebody say I don't it want anymore
I don't want it anymore Because I've dried my eyes and I realized I deserve somebody that'll treat me
right Somebody say I don't it want anymore
I don't want it anymore Because I know my worth so you can keep that drama, I don't want it anymore Oh, oh,
oh, oh
Not anymore No more settling for less
I've looking for that kind of man that's gonna give his best 'cause I'm giving my best
A man that wants to cherish this and knows exactly how to move me
Not some little silly boy who wants my goodies 'cause he took me to the movies No, no, no, no
Is anybody else just fed up?
If you heard it all before then right where you are just get up, ey Somebody say I don't it want anymore
I don't want it anymore Because I've dried my eyes and I realized I deserve somebody that'll treat me
right Somebody say I don't it want anymore
I don't want it anymore Because I know my worth so you can keep that drama, I don't want it anymore Oh, oh,
oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore Oh, oh, oh, oh
Not anymore This is dedicated to
This, this, this, this is dedicated to
Well, if you feel what I'm feeling this is dedicated to you Somebody say I don't it want anymore
I don't want it anymore Because I've dried my eyes and I realized I deserve somebody that'll treat me
right Somebody say I don't it want anymore
I don't want it anymore Because I know my worth so you can keep that drama, I don't want it anymore Oh, oh,
oh, oh

Not anymore
