

# Native New Yorker

## DJ Party

New York girl, ooh ooh oohRunnin' pretty, New York City girl

Twenty-five, thirty-five

Hello baby, New York City girlYou grew up riding the subways running with people  
Up in Harlem, down on Broadway

You're no tramp but you're no lady talkin' that street talk

You're the heart and soul of New York CityAnd love, love is just a passing word  
It's the thought you had in a taxi cab

That got left on the curb

When he dropped you off at East 83rdOh oh oh  
(Oh oh oh)

You're a native New Yorker

You should know the score by now  
(You should know by now)

You're a native New YorkerNew York girl, ooh ooh oohMusic plays, everyone's dancing closer and closer  
Making friends and finding lovers

There you are lost in the shadows searching for someone  
(Searchin' for someone)

To set you free from New York CityAnd, whoa, where did all those yesterdays go  
When you still believed

Love could really be like a Broadway show  
You are the star, win the applauseOh oh oh  
(Oh oh oh)

You're a native New Yorker  
No one opens the door

For a native New Yorker(Runnin' pretty, New York City girl)  
Ooh ooh ooh

Native, native, native New YorkerWhere did all those yesterdays go  
When you still believed

Love could really be like a Broadway show  
You are the starYou're a native New Yorker

You should know the score by now

You're a native New YorkerYou should know the score  
You should know the score by now

You're a native New Yorker, oh oh oh  
(Native, native, native New Yorker)

You're a native New YorkerWhoa, oh ho ho, you're a native New Yorker  
You should know the score  
(Native, native, native New Yorker)

You're a native New YorkerWhat you waiting for, no one opens the door
