Chase

Son Lux

But you slept my floors with your hair
And you can't change that
You can't change thatSo will you chase or let me go?
Will you chase or let me go?You can't
You can't
You can't
And you can't change that
You can't change thatSo will you chase or let me go?
Will you chase or let me go?
You can't change thatSo will you chase or let me go?So will you chase or let me go?
So will you chase or let me go?
