

# I Close My Eyes (Mono Version)

## Bee Gees

Look at me I'm riding high  
Don't know what's wrong with me  
Can't you see I'm not the guy  
That I pretend to be? Though I know I will be lonely  
But our love will never die  
I close my eyes, everyday  
I close my eyes The more I try the more I fail  
I'd like to run away  
But if I try you pass me by  
I know that I can't stay Though I know I will be lonely  
But our love will never die  
I close my eyes, everyday  
I close my eyes Though I know I will be lonely  
But our love will never die  
I close my eyes, everyday  
I close my eyes I close my eyes  
I close my eyes  
I close my eyes
