Right to Complain

Trombone Shorty

Right To ComplainEverybody says they want change
But nobody want to do what it takes
To make it better
Everybody complains
But nobody ever wants to take the blame
And nobody ever does anythingI wake up in the morning
And what do i see
I see my reflection in the mirror
Looking at me
Telling me what you gonna do
Now you say you want changeBut if you don't change yourself
You have no right to complain
So what we gonna do
To stop all this talkin'
And start to do some walkin'
We gotta practice what we preach
And not just look from sidelines
Lettin' more time just pass by
