## Chubb Rock

Advisory - the following lyrics contain explicit language:

No one can do it better  
You see that black man over there, bring him here  
You see the one with the blunt, put him in the front  
'Cause it's time to prepare, some kind of strategy this year  
It's only been about ten million months  
That we were lost in the sauce but of course with the help of the boss  
We prevail and now we're on this positive scale  
But now it's time to take it one step further  
Preferably without any obvious murders  
If you don't [Incomprehensible] I don't give a shit  
If you do it to a man of our shade, you definitely played  
Yourself and us and then the heritage crust will be crushed to puss  
'Cause of your lust that you must just bust  
A man of your own kind, you must be blind  
Archie Bunker and Joey's gonna snuff ya from behind  
One day 'cause we easy prey to get  
It's not a threat place a bet recollect the terms met  
Many years ago that we're inferior  
And inferior people shouldn't know they're really superior  
And yo it's time to listen, tick tock, tick tock  
Comin' from Chubb Rock so check the clock and organize  
Anytime you look at yourself  
(Organize)  
Be you black, brown, red or yellow  
(Organize)  
A so-called Negro  
(Organize)  
You are you represent a person  
(Organize) Who poses, such a  
(Organize)  
Serious problem for America  
(Organize)  
'Cause you're not wanted  
(Organize)  
No one can do it better  
If the battle of the races was a basketball game, who'd reign?  
Look for the blacks we have  
Strickland Ewing Magic course Jordan is the don  
Isiah Dominique Barkley and Akeem Olujawon  
For the whites Bird, Kiki, McHale and Paxon

Shouldn't go any further you know it's gonna get wack son  
But if the black players have an ego, and won't let go  
The rock no matter how nice they are they're gonna flop  
Look chop in a sold out capacity crowd, the upsets will be so loud  
Yes teamwork, yes y'all teamwork  
If a jerk wants to go for self he gets hurt, and now  
Dinkin's is the man, so magic form the plan  
Yo Strickland run the point, Jordan is the guard and (Organize)  
So we are all black people  
(Organize)  
So called Negroes  
Second-class citizens  
(Organize)  
(Organize)  
Ex-slaves (Organize)  
You are nothin' but a ex-slave  
(Organize)  
You don't like to be told that  
(Organize)  
But what else are you?  
(Organize)  
You are ex-slaves you didn't come here on the Mayflower  
I shall not have no other one but this one  
That is description now here's the full picture  
Frame it, aim it, name it proclaim it  
To be a Chubb Rock original Ain't it, funny  
That four years ago I wasn't making an inkling of money  
Had to put four chicken wings on layaway  
And had to come back the next day for the fried rice  
The price you could let me chill with a quarter  
But I oughta just order, a lettuce sandwich with a large water  
Drink it down until I can make up a Chubb Rock sound  
That will end all this, then I take the risk  
And if I fail I won't do a fishtail, in the abyss  
That's a diss, I'm strivin' not drivin', Miss Daisy  
And Patrick Swayze don't amaze me or faze me  
Me look up to these stupid clowns, you're crazy  
My mama raised me on Mama Mabley  
Dorothy Dandridge crossed an ill bridge  
The media got involved into her shit  
Gashed her grill and boggled up her wit  
Took her name like a crook  
And how long shall they kill our prophets  
(No one can do it better)  
While we stand aside and look?  
Here's the hook open your eyes and organize  
And we unite on the basis of  
(Organize)  
What we have in common  
(Organize)  
And what we have foremost  
(Organize)

In common is that enemy  
(Organize)The white man  
(Organize)  
He's an enemy to all of us  
I know some of you all think  
That some of them aren't enemies
