

Delight

Akcent

Wanna feel u
Wanna touch u
Wanna have u
Would u be my light?
In this night
The same bright
I feel right
So right Love u
Wanna hold u
Wanna kiss u
Would u be my light?
In this night
The same bright
I feel right
So right I really wanna feel the way I am on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
Its gonna be a crazy night for me and u Na na na na(x3) Wanna feel u
