Let Me Live

Charley Pride

Let me live again
Let me live againA little taste of heaven that I had before
Was just enough to keep me coming back for more
After loving you, losing you was more than I could stand
Now I'm the ghost of what was once a man[Chorus]
Let me live again, let me live again
Reach into my heart and light the light of love again
Let me see the sun let this darkness end
Take me back into your arms and let me live againIt would have been much better that we never met
An angel's love like yours is too much to forget
I can't help myself 'cause I can't be stronger than I am
I'm just the ghost of what was once a man
