

# Hey, Lady Godiva

**Dr. Hook**

(Shel Silverstein) Hey Lady Godiva, ridin' throughout town  
Naked on your big white horse  
With your long hair hangin' down  
Lady Godiva, you say you're frightened  
and so shy  
I hate to bust your bubble but you  
Sure picked a funny place to hide Hey Lady Godiva, lookin' for a place  
Where no one wants your body  
And nobody knows your face  
Lady Godiva, you say you wanna be loved  
For what's inside  
I don't know much about horses but you  
Sure picked a funny place to ride Every man's just a clutchin' hand  
Reachin' out to grab you  
Every man's a quiverin' lance  
Tryin' hard to stab you - don' let 'em nab you Hey Lady Godiva, lookin' kind of scared  
You showed 'em all your talents  
And nobody seems to care  
Lady Godiva, could it be no-one wants to ride  
Come to think it over  
You may have picked the perfect place to hide (c)1972 Evil Eye Music Inc.
