

# Shut Up

Amelia Lily

Shut Up and give me wherever you got Shut Up and give me wherever you got I'm trying Oh yes, my mind is  
playing tricks on me  
It's the same as it's always been  
seen things out the corner of my eye  
well are you gonna be my guy? Whooooooooo knew  
Waiting for a session and now we fell the pressure Whooooooooo knew  
Get some for the rest 'cuz you never learn your lesson You like it or not  
Shut Up and give me wherever you got  
I'm tired of waiting  
Baby can you take it  
OH baby you are falling apart  
falling in love while I'm breaking your heart  
Can you take this crazy love oh darling You are trying Oh yes my heart is blowing hot and cold  
Sending lightning into my soul  
seen things out the corner of my eye  
so are you gonna be my guy? Whooooooooo knew  
Waiting for a session and now we fell the pressure Whooooooooo knew  
Get some for the rest 'cuz you never learn your lesson You like it or not  
Shut Up and give me wherever you got  
I'm tired of waiting  
Baby can you take it  
OH baby you are falling apart  
falling in love while I'm breaking your heart  
Can you take this crazy love oh darling You are trying Turn it up, turn it up oh oh  
Show the girls what you got oh oh  
To the right, to the left oh oh  
Is that the best thing i'm gonna get? oh oh heeeeey  
Shut Up and give me wherever you got You like it or not  
Shut Up and give me wherever you got  
I'm tired of waiting  
Baby can you take it OH baby you are falling apart  
falling in love while i'm breaking your heart  
Can you take this crazy love oh darling You are trying oh darling oh darling You are trying Shut Up and give me  
wherever you got
