

I Remember You

Brian McKnight

How, how we carried on?
How I used to walk with you?
And talk with you until I moved away Oh, although some things may change
Others stay the same, we're not four anymore
But can you come out and play? You wore pigtails and hand me downs
I banged the piano, played the clown
And though time slips away, it can never replace How you'll always be here in this heart of me
Lucy and Linus and Charlie Brown
Oh, how Snoopy, he never left the ground
Oh, that is true, you remember me like I remember you Oh, I wonder where you are?
My heart says you're not far from me
It's so hard for me to leave those years behind Ohh, cotton candy, carousels
Got to find a wishing well to wish you back to me
That's the way I feel inside You wore pigtails and hand me downs
I banged the piano, played the clown
And though time slips away, it can never replace How you'll always be here in this heart of me
Lucy and Linus and Charlie Brown
Oh, how Snoopy, he never made a sound
Oh, that is true, you remember me like I How we laughed in the face of danger? Tanto and Lone Ranger
There were no mountains we could not climb
We soared like eagles 'cross the sky
Heaven knows, how I miss your little toes You wore pigtails and hand me downs
I banged the piano, played the clown
And though time slips away, it can never replace How you'll always be here in this heart of me
Lucy and Linus and Charlie Brown
Oh how Snoopy he never left the ground
Oh that is true, you remember me like I You remember me like I
You remember me like I remember you
Like I remember you
