Cheerio

Sick Pickle

Cheerio, cheerio - bye bye
Cheerio-o, it's too late to try
Cos' I miss you in the morning
And I need you every night
Cheerio-o, cheerio - bye bye

Cheerio, cheerio - bye bye
I will never know the reason why
For a moment we were lovers
For a moment you were mine
Now we it's over cheerio bye-bye

We were running wild
A miss forgotten child
I saw you on the roof top
You're eyes were shining bright
Like a candle in the night

Was it only a game you played for fun?
Did you think you could fly?
Just a memory remains as time goes by

Cheerio, cheerio - bye bye
Cheerio-o, it's too late to try
There is nothing to forgive you
By what is wrong or what is right
Cheerio-o, cheerio - bye bye

Cheerio, cheerio - bye bye
Cheerio-o, it's too late to try
Cos' I couldn't live without you
And you couldn't take the fight
Cheerio-o, cheerio - bye bye

Cheerio, cheerio - bye bye
Cheerio-o, it's too late to try
I'm so lonely in the morning
And I miss every night
Cheerio-o, cheerio goodbye
Cheerio-o, cheerio goodbye
