There's No Way

Rumburax

As I lay by your side and hold you tonight, I want you to understand
This love that I feel is so right and so real and I realize how lucky I am
And should you ever wonder if my love is true
There's something that I want to make clear with youThere's no way I could make it without you
There's no way that I'd even try
If I have to survive without you in my life
I know I wouldn't last a day, oh baby, there's no wayBaby I've always loved you
And I hope you know thatIt means so much to me whenever I see
That wanting me look in your eyes
And I don't know how I could do without
Holding you close every night
I've waited so long just to have you to hold
And now that I've got you, I'll never let goThere's no way I could make it without you
There's no way that I'd even try
If I had to survive without you in my life
I know I wouldn't last a day, oh babe, there's no wayAnd I never knew what you give, what I was missin'
Now you say forever, I find my heart is listenin', yes I'm listenin'There's no way I could make it without you
There's no way that I'd even try
If I had to survive without you in my life
I know I wouldn't last a day, oh babe, there's no wayBaby there's just no way
