## Vanity 6

Oooh- look at me...I'm a cadillac...I'm a brand new convertible child. I've never been driven baby your the first,  
come on baby drive me wild. Oooh-

Oooh- look at me I'm a telephone...whatever you want just dial. Come on honey please its soft and clean...do it  
baby drive me wild.

Come on baby do it- Drive me wild.

Do it baby- Drive me wild.

(repeat)

Oooh- look at me I'm a radio call me up and make a request. I'm anything just name it and I'm bad baby and  
the best.

Come on baby do it- Drive me wild.

Do it baby- Drive me wild.

(repeat)

Oooh- look at me I'm a babydoll...just pick me up and I'll smile...I may be young but I'm a whole lot of  
fun...come on baby drive me wild.

Come on baby do it- Drive me wild.

Do it baby- Drive me wild.

(repeat)
