

# Sir Psycho Sexy (aiwara's cut)

## Red Hot Chili Peppers

A long, long, long, long time ago  
Before the wind, before the snow  
Lived a man, lived a man I know  
Lived a freak of nature named Sir Psycho Sir Psycho Sexy that is me  
Sometimes I find I need to scream He's a freak of nature  
But we love him so  
He's a freak of nature  
But we let him go Deep inside the garden of Eden  
Standing there with my hard on bleedin'  
There's a devil in my dick and some demons in my semen  
Good God no that would be treason  
Believe me Eve she gave good reason  
Botty looking too good not to be squeezin'  
Creamy beaver hotter than a fever  
I'm a givin' 'cause she's the receiver  
I won't and I don't hang up until I please her  
Makin' her feel like an over achiever  
I take it away for a minute just to tease her  
Then I give it back a little bit deeper Sir Psycho Sir Psycho yea he's the man that I met 1 time  
Sir Psycho Sir Psycho yea he's the man that left me blind  
Sir Psycho Sir Psycho yea he's the man he's the man he's the man  
Sir Psycho Sir Psycho yea He's a freak of nature  
But we love him so  
He's a freak of nature  
But we let him go I got stopped by a lady cop  
In my automobile  
She said get out and spread your legs  
And then she tried to cop a feel  
That cop she was all dressed in blue  
Was she pretty? Boy I'm tellin' you  
She stuck my butt with her big black stick  
I said "what's up?" now suck my dick  
Like a ram getting ready to jam the lamb  
She whimpered just a little when she felt my hand  
On her crotch so very warm  
I could feel her getting wet through her uniform  
Proppin' her up on the black and white  
Unzipped and slipped "ooh that's tight"  
I swatted her like no swat team can

Turned a cherry pie right into jam  
Sir Psycho Sir Psycho yea, I'm the man that you met 1 time  
Sir Psycho Sir Psycho yea, I'm the man that will leave you blind  
Sir Psycho Sir Psycho yea, I'm the man, I'm the man, I'm the man  
Sir Psycho Sir Psycho yea  
Hello young woman that I love  
Pretty punk rock mama that I'm thinking of  
Hold me naked if you will  
In your arms in your legs in your pussy I'd kill  
To be with you, to kiss with you, I do miss you  
I love you  
Lay me down, lay me down, lay me down, lay me down  
Lay me down, lay me down, lay me down, lay me down  
Descending waves of graceful pleasure  
For your love there is no measure  
Her curves they bend with subtle splendor  
Now I lay me down to sleep  
I pray the funk will make me freak  
If I should die before I waked  
Allow me Lord to rock out naked  
Bored by the ordinary time to take a trip  
Calling up a little girl with a bull whip  
Lickety split go snap "snap"  
Girl gettin' off all in my lap  
The tallest tree the sweetest sap  
Blowin' my ass right off the map  
Ooh and it's nice out here  
I think I'll stay for a while
