Momentary Breakdown

Lene Lovich

Ah, oo, ee, ayTwo strangers meet on a crowded street
Eye to eye and their hearts skip a beat
Within their minds they don?t know what to say
So they just smile and go their separate waysIts only a momentary breakdown
Only a momentary breakdownAh, oo, ee, ayBut as they walk, they feel a glow inside
A blinding light invades their sterile lives
And suddenly their world begins to spin
They can?t suppress the feelings deep withinIts more than a momentary breakdown
More than a momentary breakdownAnd now the circuit is complete
At last there?s someone just like me
I know that we were meant to be
In everlasting harmonyAh, oo, ee, aySo silently the crowd began to move
One by one, till there was only two
And darkness fell upon the rebel pair
They close their eyes and there is no one there
