

Living For Tonite (Album Version)

Accept

Always on the run
Where you are going, what you are doing
Looking just for fun
Love the twilight, love the dark
Rats, are all around
And I am waiting for a head
Take what you want
And if you need it take it now
Guess it will be just alright
I'm living for tonite, tonite
Living for tonite, tonite
Working out my way
Find some ramp-rats, find some victims
Bad games all night long
We need to hid it just for fun
Games, we shouldn't play
And if you need some help, just wait
I'm going out into the dark
Guess it will be just alright
I'm living for tonite, tonite
Living for tonite, tonite
Gimme your body
Take what you want
Can't wait anymore
I'm living for tonite, living for tonite
Tonite, living for tonite
Tonite, living for tonite
Tonite, I'm living, living for tonite
