Postcard

State Shirt

wake up one day
where am i at?
i've been in this place too long
i need to find a way backit's been so long since i was there
such an empty space
in my head i don't even know
if i've been to this placepostcards found
all abound
in my mind
it's my town
i don't know
where it is
in my mind
it's my towntravel downtown
such an empty space
i don't remember it like this
where has it all gone?
in my head i don't even know
if i've been to this place
