

Rudie Can't Fail

The Clash

Well sing Michael sing on the route of the 19 bus we hear them sayin'

How you get a rude and a reckless?

Don't you be so crude and a feckless

You been drinking brew for breakfast

Rudie can't fail no no

We reply, I know that my life make you nervous

But I tell you that I can't live in service

Like the doctor who was born for a purpose

Rudie can't fail

I went to the market to realize my soul

What I need I just don't have

First they curse then they press me till I hurt

They say Rudie can't fail

First you must cure your temper

Then find a job in the paper

And you need someone for a savior

Rudie can't fail

We reply now we get a rude and a reckless

Still been seen lookin' cool an' speckless

You been drinking brew for breakfast

So Rudie can't fail, oh no, no

I went to the market to realize my soul

But what I need I just don't have

First they curse then they press me till I hurt

Rudie can't fail

Okay so where you wanna go today?

Hey boss man you're looking pretty smart

With your chicken skin suit

You think you're pretty hot

In the pork pie hat

Sky juice with a brew

Rudie can't fail, Rudie can't fail, Rudie can't fail

...
