Alexandra Burke

Don't make me start without you
Oh la la la ohhh
Uh red one
Et cetera
HeyEy, hey, I'm like a beast
Ey, hey, I'm like a beast
The DJ dropped the record Imma start a stampede
He dropped the record I'll start a stampedeEy boy, I'll push it out
Ey boy, I'll push it out
Fire in my belly like a merry go round
From front to the back I'll make you go roundYeah like me, get on the dance floor
Yeah like me
(don't wanna start without you)Oh here I go
Drip dropping way down low
You bound to miss
Windin' ta this
Don't let me start without youOh here I go
Your moving way to slow
I'm coming up
Put down your cup
Don't make me start without you(I don't wanna start without you)
(I don't wanna start without you)Eh boy, way that I move
Eh boy, way that I moveBody like a weapon that'll make you go boom
Hit like a drum, I'll make you go (BOOM)Hey boy, oi were you at?
Hey boy, oi were you at?Your the only one that I want on my back
The only one I want on my backYeah like me, get on the dance floor
Yeah like me
(don't make me start without you)Oh here I go,
Drip dropping way down low
You bound to miss
Windin' ta this
Don't let me start without youOh here I go
Your moving way to slow
I'm coming up
Put down your cup
Don't make me start without youHear it out push it out
Watch it how she work it outYeah like me, get on the dance floor
Yeah like me
(Don't make me start without you)Oh here I go,

Drip dropping way down low
You bound to miss
Windin' ta this
Don't let me start without youOh here I go
Your moving way to slow
I'm coming up
Put down your cup
Don't make me start without you
