

I'm Walking

Donnie McClurkin

I'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to meMy mother may not be a queen
But my father's king of everything
I'm adopted into the family
So I guess that makes me royaltyAnd he's given me dominion yes
Power over men, them yes
Everything I do is blessed
Promised me some great success
I am the authority
God of the majority
Livin' in my liberty
So you might as well get used to meI'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to meWe're children of the most-high God
Understand and believe his word
We never have to beg or plead
For our father will supply our needsAnd he's given me dominion yes
Power over men, them yes
Everything I do is blessed
Promised me some great success
I am the authority
God of the majority
Livin' in my liberty
So you might as well get used to meI'm walking in authority
Living life without apology
It's not wrong, dear, I belong here
So you might as well get used to meI'm walking in prosperity
Living life the way it's meant to be
It's not wrong, dear, I belong here
So you might as well get used to meGet something in your hand
Get something in your hand
Get something in your hand
Get something in your handAnd wave it in the air
And wave it in the air
And wave it in the air
And wave it in the airI said 1, 2, 3

1, 2, 3

1, 2, 3

So you might as well get used to me I'm walking in authority

Living life without apology

It's not wrong, dear, I belong here

So you might as well get used to me I'm walking in prosperity

Living life the way it's meant to be

It's not wrong, dear, I belong here

So you might as well get used to me Get something in your hand

Get something in your hand And wave it in the air

And wave it in the air I said 1, 2, 3

1, 2, 3

1, 2, 3

So you might as well get used to me

(Repet as directed) I'm walking in authority

Living life without apology

It's not wrong, dear, I belong here

So you might as well get used to me I'm walking in prosperity

Living life the way it's meant to be

It's not wrong, dear, I belong here

So you might as well get used to me
