

# One True Summer Night

Rex Goudie

Midnight in August  
Hanging with my friends  
Out till 4 wake up at 2  
And do it all again  
Radios and crickets watch the meteors fly,  
The parking lot sure empties out quick  
When the cops come by  
Hold on to this,  
You never know what you might miss[Chorus]  
Could be any town on any night  
The Texico's all need for light  
Nothing really happens and that's alright on This one true summer night  
There's this pretty girl  
I'm not sure of her name  
Pretend I don't notice  
But I know that she's doin the same  
Maybe meet up later nothing better to do  
Than sit in the front seat and just talk  
As the dawn runs blue  
We gotta hold on to this  
Never know where you're going with that first kiss[Chorus: x2]
