Sign of the Times

Bryan Ferry

Here is a rainbow for your hair
Here is another sign of the timesWe live, we die
We laugh, we cry
We know not whyLipstick and leather wear and tear
Of another sign of the timesWe're chained and bound
Hard lines, crack down
On stony groundHere is a taste of here and now
Red is the bloody sign of the timesThe bride stripped bare
Of all despair
We're cut but we don't careHere is a rainbow for your hair
Here is another sign of the timesLight up in anger, I'll be there
Fight for a sign of the timesWe live, we die
We laugh and we cry
We know not whyBent on a life between the lines
End on a sign of the times
