

Off Broadway (Live At Carnegie Hall / 11/17/2014)

Ryan Adams

Hanging 'round Broadway
And I think I saw your face
 Cars speeding by me
 Reminding me of us
 Rats going from the gutter to their holes
All these people that are trying to get homeI don't know where that is anymore
 I don't know where that is anymore
 I don't know where that is anymore
 I don't know where that is anymore
Used to be off BroadwayI miss your locket
 And the things you kept inside
 And I just can't stop it
Hasn't killed me yet, but give it time
 Shuffle down to the watering hole
Getting tired, and I want to go homeI don't know where that is anymore
 I don't know where that is anymore
 I don't know where that is anymore
 I don't know where that is anymore
 Used to be off Broadway
 Used to be off Broadway
 Used to be off Broadway
 Used to be off Broadway
