

Fall Over

Banks

Ah ah ah ah ah
Ah ah ah ah ah You got my heart beating
Beating, beating, beating, beating, beating (Ah ah)
You got my mind to follow
Follow, follow, follow, follow (Ah) Over (Ah)
Fall over I gave up
My, my pride, why?
Why, lay over
My motion says why You got my heart beating
Beating, beating, beating, beating, beating (Ah ah)
You got my mind to follow
Follow, follow, follow, follow (Ah ah) Fall over
Fall over (Ah ah) I gave up
My, my pride, why?
I let you burn
My, my shelter, why?
I let you burn
My, my shelter, why?
