

# Try to Make a Fire Burn Again

[Dawn Landes](#)

I don't love, I just give up  
Not gonna try to understand  
Give it way every day  
I don't think I'm gonna understand Uh, getting out of hand  
Don't you want to love me all over again?  
Uh, coming over me  
Don't you want to see me mistreat me?  
Try to make a fire burn again Bless my soul, I fill my bowl  
Not gonna try to understand  
I wait for time, an easy mind  
Don't think I'm gonna understand Uh, getting out of hand  
Don't you want to love me all over again?  
Uh, coming over me  
Don't you want to see me mistreat me?
