This Is How We Roll

Cole Swindell

Ohh, Thats how the whole crew rolls right hereOh yeahThe mixtape's got a little Hank, little Drake
A little something bumping, thump, thumping on the wheel ride
The mix in our drink's a little stronger than you think
So get a grip, take a sip of that feel right
The truck's jacked up, flat bills flipped back
Yeah, you can find us where the party's atThis is how we roll
We hanging round singing out everything on the radio
We light it up with our hands up
This is how we roll
This is how we do
We're burning down the night shooting bullets at the moon, baby
This is how we roll
Yeah, baby, this is how we roll
We rollin' into town
With nothing else to do we take another lap around
Yeah, holler at your boy if you need a ride
If you roll with me, yeah, you know we rollin' high
Up on them 37 Nittos, windows tinted hard to see though
How fresh my baby is in the shotgun seat, oh
Them kisses are for me though, automatic like a free throw
This life I live it might not be for you but it's for me thoughThis is how we roll
We hanging round singing out everything on the radio
We light it up with our hands up
This is how we roll
This is how we do
When the world turns ugly I just turn and look at you, baby
This is how we roll
Let's roll!
We're proud to be young
We stick to our guns
We love who we love and we wanna have fun
We cuss on them Mondays
And pray on them Sundays
Pass it around and we dream of that one dayThis is how we roll
We hanging round singing out everything on the radio
We light it up with our hands up
This is how we roll
This is how we ride
We slingin' up the mud, cuttin' through the countryside, baby

This is how we roll
YeahYeah, this is how we roll
You know, you know, this is how we roll
This is how we do
We're burning down the night shooting bullets at the moon, baby
This is how we roll
Yeah, this is how we roll
